RALLY CRY — GOD AND COUNTRY

Almost a quarter of a million people assembled in Washington, D.C. on October 3rd, many of them carrying American flags and Bibles. Some of the signs proclaimed "IN GOD WE TRUST", "WE STAND FOR VICTORY", "FREEDOM IS EVERYBODY'S BUSINESS", etc. The day — warm and breezy — began with the march up Pennsylvania Avenue to the Washington Monument grounds.

While the great crowd joined enthusiastically in singing "Onward Christian Soldiers", "Battle Hymn of the Republic" and "America the Beautiful", 10,000 helium-filled red, white and blue balloons were released. They swept over the White House, carried by a stiff southerly wind. The crowd cheered.

Mrs. Mary Sutherland with Dr. Carl McIntire at MARCH FOR VICTORY.

Among the assembled on the platform were Dr. Carl McIntire, Congressman John Rarick, Dr. Billy James Hargis, General Thomas A. Lane and a message was read from Vice President Nguyen Cao Ky of South Vietnam. In part it read, "Dear Friends of the March for Victory: I wish, first of all, to extend to the American people, the deep gratitude and admiration of the Vietnamese people for the immense and noble sacrifices which you have contributed to the fight for the safeguard of our just cause on the battlefields of Vietnam. It is thanks to these sacrifices that the Communists are still unable to achieve their aim, that the lives of tens of millions of Vietnamese are saved and that hundreds of millions of other people in Southeast Asia are able to enjoy a free way of life."

Traveling over 3,000 miles from Southern California were Mrs. Mary Sutherland and Mrs. Juanita Ahlstedt of MOTHERS OF SERVICEMEN. After Dr. McIntire introduced Mrs. Sutherland as representing over 400,000 mothers of servicemen, she told about the countless cans of cookies, the hundreds of Christmas trees and messages and the tens of thousands of "We Cares" that are sent to the servicemen each year. She ended with, "In whatever way we can, wherever they may be, WE SUPPORT OUR SERVICEMEN". There was prolonged applause and cheering.

It was indeed a beautiful, inspiring day. It was a glorious day!

A PSALM OF PRAISE

Make a joyful noise unto the Lord, all ye lands.
Serve the Lord with gladness: come before his presence with singing.
Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people and the sheep of his pasture.
Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name.
For the Lord is good; his mercy is everlasting; and his truth endureth to all generations. Psalm 100.

A TRIBUTE TO MEN IN SERVICE

By Denise Evers

The state of affairs in the U.S.A. as well as the entire world is deplorable. The past five years have seen race riots and campus violence taking place regularly. The flag is burned and desecrated daily by those who feel wronged by the establishment. At the same time, halfway across the world in Vietnam, our young men fight and die in defense of this same flag.

The citizens of our country are sharply divided in opinions concerning the war. There are those who advocate complete surrender and withdrawal. To do so would mean the tragic and useless loss of more than 40,000 American lives as well as paving the way for a complete Communist domination of Southeast Asia, and eventually our own beloved country. On the other side are those who advocate victory which, strangely enough, has become a dirty word these days. Perhaps, if we would show the Communists that we mean business, their efforts for total world domination would be thwarted.

There has been a general falling away from God in our country as well as the introduction of a new "Permissive Society". The Supreme Court has ruled prayer out of schools, and has ordered the removal of several large crosses because, "it violates the rights of non-believers", forgetting that we believers also have rights. These same non-believers are the first to turn to the Almighty in troubled times as was recently shown in the Apollo 13 near-tragedy The entire nation joined hands in prayer for the safe return of our astronauts, Lovell, Sweigert, and Haise. God an-
